A Phenomenal Record

AS a tree is known by its fruit, so also is a life
company known by its actual results to policy-
holders. In this respecthas few, if any, equals; the "actual results" realized
under its policies have never been excelled by
any Canadian Company.This may be accounted for by the fact (1) That
as this Company has no stockholders to absorb a
part of its earnings, all its surplus belongs to and
is equitably distributed among its policyholders;
(2) It has the lowest expense ratio to income of
any Canadian Company, notwithstanding that its net
business in force in Canada during the past ten years
has increased more rapidly than the Canadian
business of any other native Company; (3) That its
death losses have been, for many years, only about
one-half of the amount "expected" and provided
for, thus showing the excellently fine quality of
the Company's business, and (4) That in 37 years,
during which the Company has been in operation,
not one dollar received from its policyholders has
been lost out of the millions invested for their
security—a phenomenal record.
