Mercantile Summary.

WE learn from the Cornwall Standard that E. Coolidge, formerly on the road for McLean & Shaw, Montreal, has secured premises in Cornwall in which to open a retail hat and cap store.

ACCORDING to the St. John's News, Edward Cote, of Montreal, and James Crothers, of Malmaison, are to erect a sewing machine factory in Terrebonne, and the municipality has decided to grant them a bonus of \$25,000.

F. F. FERLAND, a furniture manufacturer and builder of Montreal, has failed with there-spectable liabilities of \$27,348. He has been in business for some years, but has had more or less of a bad time of it for a good while back.

J. A. THERIEN, general dealer of St. Genevieve de Champlain, Que., has assigned owing \$2,556. He has been in business off and on for some years, trading principally on his wife's means; they had a falling out in '87, and he was out of trade for a time, resuming last summer only to assign now.

AN offer of 50 cents on the dollar has been made to creditors by E. Nash & Son, butchers, Toronto.—A similar overture has been made by Jerrett & Co., builders, also of this city.—The gents' furnishing stock of Mrs. H. Rogers, Toronto, has been disposed of at 70 cents on the dollar.

EXPORTS from the consular district of Hamilton (to the United States during the month of February, were of the value of \$54,554, barley and wool being the principal items. The list includes horses, \$9,214; malt, \$3,312; barley, \$17,541; skins, \$2,300; wool, \$15,948; besides cotton waste, cinders, apples, and household goods.
