

MISCELLANEOUS.

It is the fine souls who serve us, and not what is called fine society. Fine society is only a self-protection against the vulgarities of the street and the tavern — Emerson.

Let grace and goodness be the principal loadstone of thy affections; for love which hath ends will have an end, whereas, that which is founded on true love will always continue. — Dryden.

The hearts of some women tremble like leaves at every breath of love which reaches them, and they are still again. Others, like the ocean, are moved only by the breath of the storm, and not so easily lulled to rest. — Longfellow.

Florence Nightingale has just celebrated her seventy-third birthday. Though for many years confined to her house by constant ill-health, she is ceaselessly at work for the welfare of her fellow-creatures.

THE SAMBRO LIGHTHOUSE

Is at Sambro, N. S., whence Mr. R. E. Hartt writes as follows:—'Without a doubt Burdock Blood Bitters has done me a lot of good. I was sick and weak and had no appetite, but B. B. made me feel smart and strong. Were its virtues more widely known many lives would be saved.'

Simplicity is the character of the spring of life, costliness becomes its autumn; but a neatness and purity, like that of the snowdrop or lily of the valley, is the peculiar fascination of beauty, to which it lends enchantment, and gives what amiability is to the mind. — Longfellow.

WHAT SAY THEY?

In popularity increasing. In reliability the standard. In merit the first. In fact, the best remedy for all summer complaints, diarrhoea, dysentery, cramps, colic, cholera infantum, etc., is Dr. Fowler's Extract of Wild Strawberry. All medicine dealers sell it.

Mrs. Harriet Strong, of Whittier, Cal., last year imported pampas grass from South America to her ranch and raised 3,000,000 plumes. These make handsome decorations. One million of these were sent to the World's Fair. She has exported over 650,000 to Europe. — New York Sun.

To cure nervousness your nerves must be fed by pure blood. Hood's Sarsaparilla makes pure blood. Take it now.

Some time ago the Pope Manufacturing Company of Boston opened an educational department, and offered a series of prizes to those who will point out the largest number of errors in the series of schoolbooks now in use in the colleges, universities, and public schools. The effort is a very commendable one.

THE BEST REMEDY.

Dear Sirs,—I was greatly troubled with weakness, loss of appetite, restlessness and sleeplessness, and found B. B. the most strengthening and beneficial medicine I have taken.

Miss Heaslip,

34 Huntley St. Toronto, Ont.

At the age of seventy-five, one must, of course, think frequently of death. But this thought never gives me the least uneasiness, I am so fully convinced that the soul is indestructible, and that its activity will continue through eternity. It is like the sun, which seems to our earthly eyes to set at night, but is in reality gone to diffuse its light elsewhere. — Goethe.

ARE YOU NERVOUS,

Are you all tired out, do you have that tired feeling or sick headache? You can be relieved of all these symptoms by taking Hood's Sarsaparilla, which gives nerve, mental and bodily strength and thoroughly purifies the blood. It also creates a good appetite, cures indigestion, heartburn and dyspepsia.

Hood's PILLS are easy to take, easy in action and sure in effect. 25 cents a box.

THE WORST FORM.

Dear Sirs,—About three years ago I was troubled with dyspepsia in its worst form, neither food nor medicine would stay on my stomach, and it seemed impossible to get relief. Finally I took one bottle of B.B.B. and one box of Barlett's Pills, and they cured me completely. Mrs. S. B. Smith, Elmsdale, Ont.

ON THE OUTSIDE—

that is the best place to keep the huge, old-fashioned pill. Just as soon as you get it inside, it begins to trouble you. What's the use of suffering with it, when you can get more help from Doctor Pierce's Pleasant Pellets?

These tiny, sugar-coated granules do you permanent good. They act mildly and naturally, and there's no reaction afterward.

Constipation, Indigestion, Bilious Attacks, and all derangements of the liver, stomach, and bowels are prevented, relieved, and permanently cured.

They're the smallest, the easiest to take, and the cheapest—for they're guaranteed to give satisfaction or your money is returned.

You pay only for the good you get.

Nothing else urged by the dealer, though they may be better for him to sell, can be "just as good" for you to buy.
