## MOZAMBICAN FOREIGN MINISTER VISITS OTTAWA

The Minister for External Relations and International Development, the Honourable Monique Landry, today announced that Dr. Pascoal Mocumbi, Minister of Foreign Affairs of the Republic of Mozambique, is visiting Ottawa from September 29 to October 2.

"Canada has a strong interest in supporting the evolution of Mozambique towards peace and development and its full integration into an increasingly democratic and stable Southern African region," stated Mrs. Landry. "Dr. Mocumbi's visit will provide the occasion for a wide-ranging discussion of the Mozambican peace process, the encouraging political reforms implemented by the Government of Mozambique, and our bilateral relationship, notably in the field of development assistance."
