

- (a) where paragraph (4)(c) applies, the amount by which the person referred to in that paragraph agreed to have his manufacture reference weighted aggregate quantity reduced; and
- (b) where paragraph (4)(d) applies, the amount the person referred to in that paragraph agreed to have his import reference weighted aggregate quantity reduced.
- (6) Where paragraph (4)(c) applies, the Minister shall reduce the manufacture reference weighted aggregate quantity for the manufacture of chlorofluorocarbon by the person referred to in that paragraph by the amount referred to in that paragraph.
- (7) Where paragraph 4(d) applies, the Minister shall reduce the import reference weighted aggregate quantity for the import of chlorofluorocarbon by the person referred to in that paragraph by the amount referred to in that paragraph.

Export of Chlorofluorocarbon

- 7.(1) No person shall export chlorofluorocarbon in bulk except in accordance with the terms of a permit issued by the Minister under subsection (2).
- (2) Where the Minister receives an application in writing for a permit to export chlorofluorocarbon in bulk in a control period commencing after the calendar year 1988 that specifies the weighted aggregate quantity of chlorofluorocarbon the applicant proposes to export and the country to which the applicant proposes to export the chlorofluorocarbon, the Minister shall issue a permit to the applicant and shall specify therein the maximum quantity of chlorofluorocarbon the holder of the permit may export in bulk to the country specified therein during the control period, if the Minister is satisfied that the export will not result in Canada contravening any terms of the Protocol.

Information

8. Every person who manufactures chlorofluorocarbon or imports or exports chlorofluorocarbon in bulk in a control period commencing after the calendar year 1988, shall, within 15 days after the last day of each quarterly period in the control period, submit to the Minister, in the form set out in Schedule II, the information specified in that form.
