INVESTMENT COMPANIES BILL

Motion No. 166—**Mr. Saltsman:**

That an Order of the House do issue for copies of all letters, communications, reports, memoranda and other data received by the Government of Canada commenting on the proposed Investment Companies Bill.

Hon. Herb Gray (Minister without Portfolio): For the most part the communications received were copies of material submitted to the Senate committee on Banking, Trade and Commerce. It is considered that other communications received should be treated as confidential since they frequently contain information concerning the internal affairs of individual companies, and as a result I would ask the hon. member to consider withdrawing his motion.

Mr. Saltsman: Transfer for debate.

Mr. Speaker: Transferred for debate.

LOAN COMPANIES ACT AMENDMENT

Motion No. 167—**Mr. Saltsman:**

Hon. Herb Gray (Minister without Portfolio): The communications which the hon. member is requesting are regarded as confidential. Their publication would impede the free flow of information, ideas and suggestions to the department and so make it more difficult for the department to carry out its duties effectively. I therefore ask the hon. member to consider withdrawing his motion.

Mr. Saltsman: Transfer for debate.

Mr. Speaker: Transferred for debate.
