Island of Orleans. P.Q.

August 17th, 1932.

Dear Sir Arthur:-

Last year some of the golfers among the local McGill Graduate fraternity organized a little informal golf match one afternoon, which was so enjoyable and so successful that our Committee has been encouraged to plan to repeat the occasion this year.

The date selected for the McGill Handicap Tournament this year is Wednesday, August twenty-fourth. I am writing to extend to you a very cordial invitation to join with us on that occasion, and do hope that circumstances will permit you to consider a short trip to Quebec next week. Like most branches of the Graduates' Society, I suppose, we have had some little difficulty in keeping our membership together and in good standing as members of the Graduates' Society during the past year or two, and I have been rather anxious to arrange for some occasion where some considerable part of our local graduates could be gathered together before I terminate my term of office as President of the local Branch. It is planned to have an informal dinner following the golf match on Wednesday, August twenty-fourth, and if you could arrange to join with us your presence would, of course, add a great deal to that occasion.

I would appreciate very much hearing from you as to whether or not it may be possible for you to come down to Quebec.

With kind regards, I am,

Sincerely yours,
