Dear Sir Arthur,

To use a political phrase, "another county has been heard from" emphasising your own impression that the 'Vets' are out to make trouble for us if they can. I am not at all sure however that they can against truth, integrity, and all clean and above board.

The enclosed file is for your advice and I feel confident the B.C. Executive can deal with the subject efficiently.

I am rather surprised that Mr Beaumont Boggs of Victoria did not communicate with Vancouver or here, if he was aware that there was any dissatisfaction amongst the local 'Vets'. I was rather inclined to write him, but on second consideration thought it better to communicate through the normal channel.

I am sending a similar file to Mr Scammell for his advice, as possibly Mr Tolmie will get in touch with him.

I did not consider this of sufficient importance to bother you with, and trust you approve of my correspondence in connection therewith.

Believe me, Dear Sir,
most respectfully

Dominion Secy-Treasurer L.P.F.
