

Great-Britain :---Your Memorialist humbly hopes that, in order to prevent a failure of justice arising from these circumstances, your Lordship will advise his Majesty to command General Haldimand to repair to England, with all convenient expedition, in order to answer such complaints before his Majesty in Council, and such actions in his Majesty's courts of justice here in England, as may be brought against him by your Memorialist and the many other persons who conceive themselves to have been oppressed and injured by him in his office of governor of the said province of Quebeck.

And your Memorialist, as in duty bound, will ever pray for your Lordship's welfare and prosperity.

Signed,

PETER DU CALVET.
