CREMONA AND

CELESTE ORGANS.

TO THE FARMERS OF CANADA.

WE have much pleasure in returning our sincere thanks for the unprecedented patronage bestowed on us since our first connection with the Manufacture of Musical Instruments in Guelph, and no effort on our part will be lacking to merit a continuance of like favors, by the production of none but First-class Instruments, our facilities for manufacturing such being unsurpassed. We use only the best and most thoroughly seasoned lumber and veneers, and all other material of the first quality, employing only first-class workmen, several of whom have been with us since our commencement in business, the whole being immediately under our own inspection and careful personal supervision.

All the latest improvements are adopted by us, and we are very careful not to recommend anything until we have thoroughly tested it.

We invite Music Dealers, Organists, Teachers and others to examine and criticise our Instruments, as we are satisfied that for purity and quality of tone, variety and beauty of effect, style and finish of case, they stand unrivalled.

Our Trade Mark: "CREMONA AND CELESTE ORGAN," is placed upon the name board or key slip of all Organs manufactured by us, and, having been registered for our sole use, all parties are cautioned not to infringe on the said Trade Mark.

Every Instrument bearing the name of JOHN JACKSON & CO. is fully warranted to be of the very best material and workmanship, and to give satisfaction in every respect. *Special Terms to Dealers, Clergymen and Teachers.* CATALOGUES sent on application.
