THE HISTORY Of the Wars of *New-England*, &c.

It is storied of *Tissaphernes*, That
so soon as he entred into a
League with *Agessilam* King of
Sparta, he studied means where-
by to infringe and violate the
same: Upon which *Agessilam*
sent his Ambassadors unto him
to return him Thanks, that by
so doing he had made the Gods his Enemies.
Now considering the League that has been solem-
nized with the *Indians*, together with their Cru-
elty and Treachery so notoriously perpetrated,
it's no wonder if in the sequel of this History,
we find them under some signal Remark of the
Divine Displeasure.
