

# ARCHANGEL <sup>69</sup> HERB <sup>The 3</sup> REMEDY,

—FOR—

<sup>975</sup>  
Catarrh and Blood Purifier.

## DIRECTIONS.

**ADULTS, - - One Tablespoonful every 24 hours.**

**CAUTION.**—Caution should be exercised in the quantity and frequency of doses taken, which should be regulated to suit the condition of the patient. In most cases it will be found best to leave off using altogether for some time in order to allow the system to recruit itself, after which the treatment may again be resumed. This medicine can be taken either before or after meals, according as the patient may deem it most suitable and effective, who can best understand his or her physical condition in this respect. This remedy has no equal as a cure for **Headache and Catarrh of the Head.**

For Headache you may take a dose when you feel the pain coming on; and for Catarrh the remedy should be taken as above in addition to one teaspoonful in three teaspoonfuls of soft water to be snuffed up the nostrils once a day or oftener if necessary. This clears the head and heals the soreness in the nasal passages. The same can be used for sore eyes, apply three or four times each day the same as for catarrh. All diseases arising from impure blood may be cured by proper and persistent use of this remedy according to directions, such as

<sup>95</sup>  
SALT, RHEUM, SCURVEY, SCALD HEADS, SCROFULA, STOMACHE  
TROUBLES, AND PIMPLES ON THE FACE,

To be taken the same as for Catarrh. It is an infallible remedy for Cancered mouth, Syphilis and all private diseases. Rinse the mouth if very sore three or four times each day.

## For General Debility *Wester*

It is necessary to use this Remedy in addition to the Blood Remedy in order to perform a perfect and speedy cure. This is a grand remedy for the Liver and Kidney Diseases and a Fall and Spring Medicine. These two remedies are positive cures for the 1st and 2nd stages of Consumption.

**Dose:**—From a teaspoonful to a tablespoonful three times a day, before or after meals.
