

THE CANADIAN PACIFIC RAILWAY COMPANY'S TELEGRAPH, through the POSTAL TELEGRAPH CABLE COMPANY, has DIRECT CONNECTION with all points in the UNITED STATES. A list of offices in the United States is not given as it would make this pamphlet too bulky. Rates will be found on pages 25 and 26.

BY DIRECT COMMUNICATION with the deep sea cables of The COMMERCIAL CABLE COMPANY at Oanso, N.S., the BEST and QUICKEST SERVICE is given to Cablegrams for all parts of the World. For Cable Rates see pages 27 to 34.

Connection is made at Halifax with the BERMUDA Cable, for BERMUDA and the WEST INDIES and at NEW YORK with the UNITED STATES & HAITI Cables.

Points at which there is no Telegraph Office, but can be reached by Telephone, are included in the following list. The rate given includes the Telephone charges from the nearest Telegraph Office.
