"Fruit-a-lives" Cured me After 12 Years' Suffering.

HULL, QUE., Dec. 24th, 1910.

"For the past twelve years, I had painful attacks of Dyspepsia. Finally, in March, 1908, I suffered such tortures that I was compelled to stay in bed. I could not digest my food and everything I ate caused the most agonizing pain in my stomach. I also had a fearful attack of Constipation, and at times I had no movement of the bowels for two weeks.

"Now I feel very well, weigh 115 pounds (and this is more than I ever weighed, even before my illness), I attribute my cure solely to 'Fruit-a-lives'."

Much Also About Nothing

The casts of 20 young ladies of the Women's Dramatic Club of the University of Toronto departed themselves in excellent style in their play "Much Ado About Nothing" at the Convocation Hall last evening. The exquisite costumes and the excellent impersonations of the masculine parts by the ladies in their man disguises made the play one of the highest order in amateur drama. The play was staged under the direction of Dr. F. H. Kirkpatrick.
