Lloyd George Announces Personnel | All Canadian Soldiers to Be Back Home by End of August

IS NOW ASSUMING

Both Sides Declare That It Will Be a Fight to a Finish.

COAL MATTER SERIOUS

Men on Fire Boats and Steamers Running to Institutions Are Called Out.

New York, Jan. 10 .- No hope of an cal System, is meant. Existing Prussia is incomparably stronger than all the other confederated states, but it does not represent a homogeneous phatically that they were prepared for a finish fight. Their employers members of the New York Boat Owners' Association, were equally emerged. Association, were equally emerged. arly settlement of the strike, which never would yield to the demand for an eight hour day.

The visit to the city late today of Secretary of War Baker, led to the hope that his influence might result in an adjustment, but the hope was short-lived. When the secretary left tonight for Ottawa, where he will speak tomorrow night, he had given speak tomorro no intimation that the war depart-ment would take a hand in the con-

troversy.

The Boats Called Up. The most serious development of the day was the decision of the strike tions they had made, and thus tie up the harbor completely. This action called out men employed on fire-boats and those running to islands on which Question Asked in View of Those Relating to Race are located various city charitable and reformatory institutions.

There was no actual shortage today of either food or coal because of the strike, but it was realized by all the

strike continues more than a few days the city will be confronted with a famine of both food and fuel.

The coal question probably is the most serious. Unless the strike is speedily ended it will result in complete paralysis of subway, elevated and surface lines, for all the coal on hand will be required for heating purposes. Re-routing by the railroad administration of foodstuffs so that as much as possible can be brought into the city over the New York Central is believed to have eliminated danger of a little confidence of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council which were passed under the author-intendent of the various orders-in-council whi over. The racing men would like action taken immediately so that racing lieved to have eliminated danger of a serious food shortage for the immediate future, altho there may be a lack of certain commodities.

May Close Drydocks.

Reports from drydocks and ship repair yards were that they are so crowded with work it may be necessary to close them because of the lack.

The premier is pledged by his campaigning speeches to a sweeping program of liberal reforms, particularly the giving of land and houses to working men and discharged soldiers. His particular advisers are regarded as representatives of the land-owning interests who, following tradition, would place barriers in the way of such rewards and ship respectively.

were delayed for hours in getting across to the New Jersey side. Once there they were confronted with roundabout trips by train and trolley for each their homes.

After a meeting of the boat owners at the martitime exchange it was announced that they were prepared to fire their men an average wage in offer their men an average wage in recase of approximately 20 per cent. They insisted, however, that working conditions should continue until furnotic as they were fixed ast July by the department of labor, demandation.

Civic Elements Are Rendering Assistance to the Government.

FIRING STILL GOES ON

Government Troops Have Forced Spartacans From Big Provision Warehouses.

Berlin, Jan. 10.—The civic elements in Berlin are giving Gustav Noske, who has charge of the government's defensive measure, their active sup-port, and the governmental recruiting officers are busy signing up volun-teers, government troops have sucteers. government troops have succeeded in recovering the big provision warehouses in the Koepenicker Strasse, and the Tempelhof, which the Spartacans had occupied.

At four o'clock this afternoon the big newspaper plants and the Spartacans had occupied.

hig newspaper plants and the offices of the Wolff Bureau were still in the

the Wolff Bureau were still in the hands of the insurgents.

Berlin, Jan. 9.—The government forces are in full control of that section of the inner-city between the Brandenburg Gate and Friedrich-strasse. It has issued an order prohibiting all processions.

In issuing its order against the product of the strain of the stra In issuing its order against processions, the government gave warning that its troops have orders to fire without waiting for the Spartacans to begin, and to shoot to kill. The Spartacans apparently are losing hope. They failed to summon a mass meeting of their support and support the support of their support and support of their support of the support of their support of their support of the sup

ing of their supporters today, and the lost deserted. Like Armed Camp. The Chancellor's Palace in elmstrasse, where the five mer of the government have their head-quarters, has been converted into an armed camp. The spacious reception half is filled with men armed with rifles, hand grenades and flame throw-ers. Several rooms have been fitted

ers. Several rooms have been fitted up as temporary hospitals for the wounded picked up in Wilhelmstrasse and Unter den Linden.

The machine gun firing in the newspaper quarter is almost continuous, and the adjacent streets are not open to traffic either, because they have been closed by military posts or because the bullets from the scene of the encounters near by render them unsafe. Bullets can be occasionally heard singing over the Friedrichheard singing over the Friedrich-strasse and the Leipzigerstrasse, and other parts of the section involved.

The government has a large number of troops in readiness, and the at-

tacks seem likely to continue to a de-Determined attacks by the govern-ment forces on the plants of The Tage-blatt and The Vossische Zeitung, which are still in 'he hands of the

rains. With the opening of navigation on the St. Lawrence, there will at once be available additional ports at which transports can dock and considerably increased railroad facilities, both as to routes and equipment. For instance, it will then be possible to secure day sometimes at the Victoria arcset of pate in the fighting on either side. An official close to the cabinet informs the correspondent that the government will not move until preparations are so complete that there will be "nothing piecemeal about the record and will not particle pate in the fighting on either side. An official close to the cabinet informs the correspondent that the government will not move until preparations are so complete that there will be "nothing piecemeal about the record arcset of the shorter hauls." These preparations may take another 24 hours. Government troops already are in evidence in United and Wilhedment raises. Has Many Radical Planks p ss. Cirizens have been warned to
