Ready Relief in the bath opens the pores of the skin and induces perspiration.

Ready Relief prevents sickness from change of water.

hour, and Radway's Pills in large doses every six hours. The Ready Relief will, by its COUNTER-IRRITANT properties, withdraw the inflammation to the surface; its *Disinfectant* will neutralize the poison that induces the thickening or formation of the false membrane; and the expectorant properties of the Sarsaparillian will loosen the new-formed membrane, and enable the patient to throw it from the throat; the Pills will carry off all foreign humors, etc. Never need a person die with Diphtheria, Influenza, Croup or other disease where respiratory or bronchial organs are attacked, if this course is followed. This treatment is quick, permanent and sensible—better and quicker than burning with nitrate of silver or other escharotica. Beef tea should be given three times a day in cases of diphtheria.

NOVEMBER 3d, 1872.

Dear Sir: I received your letter and "False and True," also Almanac, and feel thankful for the favor, and have no objections to using my name. I feel safe to say that the Relief and Pills used right away will cure Diphtheria in a few hours. I used it last winter myself, and used it for my wife about two weeks ago, and feel safe to say that no medicine will prove so effectual. I would never have known the value of your remedies were it not for the case of Diphtheria I had.
