A WET BLANKET.

Rain drove the London and Stratford baseball teams at the diamond yesterday afternoon at the end of Stratford's half of the second inning. Crowe was in the box for the Cockneys, and the Poets were hitting him pretty freely. The ball was wet, which made fielding difficult. Gunther, who was with London in the early part of last year, scored one run for Stratford in the first inning, and a base on balls, an error, a sacrifice and a single, gave them two runs in the second. In London's first and only inning Howells was hit by a pitched ball, got third on a sacrifice, and came in on Carey's grounder to shortstop.

TWO GAMES AT ST. THOMAS.

Hamilton defeated St. Thomas in the first game yesterday afternoon at Atlantic Park. McCann pitched for the visitors, and but for a passed ball would have shut them out. He had all kinds of speed, and only three scattered hits were made off him. Kern, the opposing twirler, who was such an enigma at Hamilton a few days ago,

was easy for the visitors, and was touched up lively. Knight and Martin were very slow in their work. Score:

THIS WAS DIFFERENT.

The tables were turned in the second game, and the home team won. Hamilton hit safely oftener and played the swifter game in the field, but Hardy seemed to pull himself out of holes when the sky was very dark for St. Thomas. Hamilton had young Crystal of Woodstock, in the box, and he did creditable work. Andy Reid caught for St. Thomas, and did good work. Hagerty being the only man to steal a base on him. The outfield work of the home team was again slow, with the exception of that of Lyons, which was of a sensational nature. Tibald made a home run in the eighth with the bases full, the ball going out to the center field fence. Knight took the visitors' breath away by stealing home in the third, and before they again caught it St. Thomas had rolled up four tallies. The score:

This is the second victory with no goal scored against them.

CRICKET.

AUSTRALIANS VICTORIOUS.
The cricket match between the South of England and the Australians ended in a remarkable manner Saturday. Fearing that they would be deprived of victory by the elements the Australians declared their inning closed soon after play started in the morning. The South of England men went in for their second inning needing 288 runs to win, and the inning closed for a total of 106. The Australians thus won their second victory by a margin of 177 runs. Score: Australians—First inning, 22; second inning, 229—total 451. South of England—First inning, 171; second inning, 106—total, 277.
