> SEEDING CONDITIONS IN ALBERTA EXCELLENT; SHORTAGE OF LABOR

CALGARY, Alta., April 6.—The Calgary Herald published on Saturday reports from all parts of Alberta covering moisture, seeding and labor conditions. Generally speaking, these indicate that the rain and snow of Friday were general; that there is plenty of moisture; that seeding conditions are excellent; that many places report farming conditions ideal, and that labor is comparatively scarce, although good wages are offered.

and Toronto Today.

Equal Pensions For Equal Impairment—Labor's Voice in Industry.

Arrangements for the dispatch of a British relief force to Russia are being pushed forward. The earliest advance guard leaves on April 9 for Murmansk. There it will be in a favorable position to proceed at the first opportunity to Archangel. The main force proceeds in two sections, the first at the beginning of May and the second a fortnight later.

ARCHANGEL. April 6.—Associated Press.—The Allied forces, principally British and Russian, operating in the Sredn Mekrehnga sector, delivered a crushing defeat yesterday afternoon to a large Bolsheviki attacking party. The enemy charged the Allied blockhouse, and the piles of Bolsheviki dead lying and the piles of Bolsheviki dea

decide upon its female representation. Important Resolutions.
The tariff resolution is the resolution which was adopted by the convention in Ottawa of the Liberals of Eastern Canada in January another important resolution is by Hon. MacKenzie King to introduce into the Government of industry the principles of representation of labor and the community for the purpose of giving workers and consumers a larger share in the conduct of industry.

Gordon Waldron has a resolution which protests against government by orders-in-council. There is another demanding the repeal of the war-times election act. Frank Denton, K.C., asks the convention to indorse his view that any increased sessional indemnity shall not be effective during the life of the present Parliament.

Equality in Pensions.

should be based upon condition at the time of enlistment.

A resolution upon the nickel question by James Day calls upon the Ontario Government to take absolute control of the industry and to immediately collect all arrears of taxes.

Robert Harding points out that it is the duty of Liberalism "to inaugurate an era of true brotherhood and equality of opportunity and to clear from the path of human progress all obstacles which give rise to undesirable poverty."

GERMANY WILL BE OF HER RESOURCES

British Premier Declares Such Is Allies' Intentions.

TREATY READY EASTER

Slight Divergences Among the Allies Have Been Swept

een enshrouded.
Even the announcement of the serious olsheviki troubles in Bavaria and the anger of a break with Italy over the driatic problem, apparently did not after the optimism today of the leaders the British, French and American legations.

Lloyd George Optimistic. preliminary peace treaty will be by Easter and the Germans will be asked to come and sign it at the end of April or the beginning of May Premier Lloyd George of Englard de-clared in an interview today with Stephane Lausanne, editor of the

that what troubled public opinion was not so much the delay as the secrecy in which the peace negotiations are wrapped and that there was some di-"I affirm absolutely that there is no

divergence among the negotiators. They are often confronted with technical difficulties which can only be settled after close study. Take the

To the Last Farthing.
"In Substance the Allies have oncommon principle, which I once se forth thus: 'Germany must pay to the last farthing of her power.'
"But is it sufficient to draw up a bill and hand it to the enemy? Must bill and hand it to the enemy? Must we not require guarantees and must we not study—study the terms, methods and forms of delayed payments? Must we not be able to say to our adversary when he pleads inadequacy of resources: 'Yes, you can go as far as that and you must do it and you must do that?' In a word, shall we simply collect a bill, or collect the money, all the money possible?

Divergence Among Experts

Divergence Among Experts.
"Well, that is where the work comes, slow and difficult work, complicated the fact that technical experts of e highest capabilities and great ex-rience are not in agreement among emselves either as to the method of uidation or as to the assets to be

realized.

"No, there is no divergence among the negotiators, but, alas, there are inevitable ones among the experts, often among those from the same country. Who is to decide between them if not the negotiators, and do you think it can always be done quickly?"

Mr. Lausanne remarked that what public onlying could not understand public opinion could not understand was why, before everything, Germany was not handed a full bill no matter what amount and forced to admit full

what amount and forced to admit full liability.

"And who says we shall not do so?" cried Premier Lloyd George. Who says we have not decided that?"

"No one," the interviewer interrupted. "has said that you have decided it."

The British premier resumed: "Cannot the people wait until we have finished our work instead of always wanting to judge our intentions? This conference had to meet and discuss things under conditions unprecedented in history. All eyes are turned toward it and, what is more grave, all ears are glued at its key-hole. Enemy ears tremble with joy when they detect

tremble with joy when they detect some hesitation. Friendly ears half hear confused rumors which are peddled far and quickly.

"The day does not pass but what "The day does not pass but what some false news here and there takes its flight. Nevertheless, no day passes but that we in silent deliberation feel approaching nearer the great aim, and experience for each other more esteem, confidence and affection. Let public opinion wait a few days. It will then be able to pronounce on facts, not rumors."

quickly help to strengthen the digestion, stimulate the liver, regulate the bowels and improve the health by working with nature. Largest Sale of any Medicine in the World, Sold everywhere. In bexes, 25c.

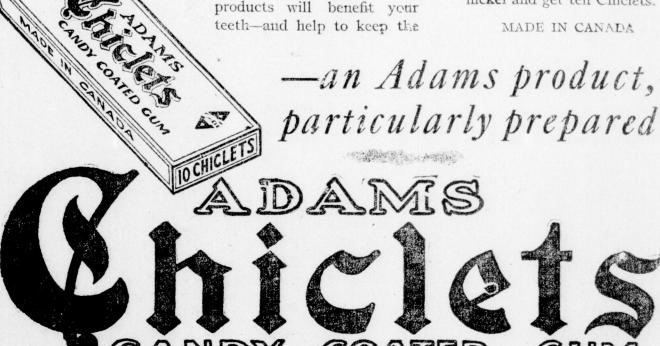

Let the kiddies buy Chicletsoften. You'll find the youngsters merrier and healthier for having this dainty, candy-coated gum with its sharp, tempting peppermint flavor. You'll enjoy a Chiclet now and then, yourself---try it and see.

You'd be surprised if you knew how many dentists use chewing gum. Recommend it to their patients, too. Any one of the delicious Adams products will benefit your

children away from the dentist's chair.

Chiclets are sold everywhere. Next time you see Chiclets displayed, leave a nickel and get ten Chiclets.

Canadian Chewing Gum Co., Limited, Toronto, Winnipeg, Vancouver.

THIS booklet describes the greatest publishing enterprise 1 of the decade, The London (Eng.) Times History of the War.

It tells how The London Times, with its wide-world organization, its co-operation with Government officials, its trained writers, artists, skilful and fearless photographers on all fronts of war, was able to compile this great and comprehensive record of the War that will stand for all generations as the source of knowledge on the most stirring, anxious and triumphant years in the history of Canada and the British Empire.

Don't buy any history-until you see The Times History of the War. Don't be without this history. It describes in words and pictures not only the war efforts of the Allies but of all nations on land, sea and air. It is the most interesting, most educative-most vitally necessary work you can possess.

History of the War
