# T. EATON CO. Canada's Greatest Store.

HE big midwinter event that brings this store prominently before the buying public pany the right to build land lines, the of an official interfering in elections. It is our February Sale of Furniture-an event that is the climax of months of careful and painstaking preparation on the part of our Furniture experts. This ready formidable competitor. But this is official to make room for the official chargenest of the main point brought out in The ed with Interfering.

Furniture Sale has become such an important factor of this business that thousands of Mail's article. A more serious matter is the official to make room for the official chargenest of the main points and important factor of this business that thousands of Mail's article. A more serious matter is the official to make room for the official chargenest of an official to make room for the official chargenest of the main points and the main points are serious matter in the addermen want a precedent we reshrewd and careful buyers look forward to it with eager interest and expectation.

Our February Sale of Furniture for 1900 will be the most important sale of the ment. Here then we have two of the pares and the post-office Department. Several charges ment. Here then we have two of the pares and the post-office Department. Several chargest ment. Here then we have two of the pares and the post-office Department. kind we ever attempted. Our preparations have been on a larger scale than ever before against the scheme. We find the openly such case the Postmaster-General referred and have never been more painstaking. For our February selling we have an immense playing into the hands of the enemy. The investigation to an independent compacting cable project was started principally missioner possessing judicial experience. quantity of brand new Furniture, selected from the best makers within our reach. Although to offset the powerful monopoly of the quantity of brand new Furniture, selected from the best makers within our reach. Although factories are asking more to-day for their goods than ever before, our large orders, placed with them at a time when they most needed such orders, have made a big difference in the with them at a time when they most needed such orders, have made a big difference in the kill it. cost to us, and the saving thus affected will be turned over to buyers during this February If the statements made by The London Sale.

As for the Furniture itself, it carries our guarantee. We cannot afford to consider pre the cheap or inferior qualities, but insist on having the best qualities, first-class workmanship and finish, and up-to-date styles and designs. The following prices will convey a slight idea of the values that will be ready on Thursday morning:
