CHAPTER OF I.O.D.E IS ORGANIZED IN HAMPTON

Hampton, April 23.—During the last month weekly meetings have been held in the assembly hall of the Consolidated school to make arrangements for organizing a chapter of the I.O.D.E. with the result that on Saturday afternoon Mrs. Hugh Mackay, regent, and Mrs. Gordon Sanction, standard bearer of the Loyalty Chapter, St. John, were present to assist with the formal organization. Both ladies have had much experience in patriotic work and their advice and suggestions will, without doubt, prove to be of much benefit to the new chapter. The name chosen is "Hampton Court Chapter" of the I.O.D.E.
The officers are: Miss Emile Alward, regent; Miss Bessie G. Howard, first vice-regent; Miss Helen Desmond, second vice-regent; Miss Gladys Smith, secretary; Miss Jean Schofield, treasurer; Miss Alberta Crandall, standard bearer. The motto of the chapter is: "Not for self but for country."

THE POLICE

Chief Simpson said this morning that the police force was now about up to strength. There were forty-nine men now doing patrol duty about the city, outside of the special work of the four city detectives. The chief also intimated that with the coming of the summer traffic in the streets and the increase in gangster for pedestrians at certain corners, he would likely add three more traffic policemen to the two that have been actively engaged all winter. The chief is allowed five traffic men, which number can be effectively used at many points about the city. With the number of autos greatly increased, and the general traffic more congested, the chief said that traffic policemen were becoming a real life necessity.
