This is a table by day and a bed by night. It looks like a perfect library table, doesn't it. So it is; but three turns of the wrist and it is a bed, comfortable and sanitary. Come in and see how innocently the table hides springs, mattress, pillows, blankets, sheets and coverlet.

SAVE YOUR HAIR AND BEAUTIFY IT WITH "DANDERINE"

Spends 25 Cents! Dandruff Disappears and Hair Stops Coming Out

Try This! Hair Gets Beautiful, Wavy and Thick in Few Moments

If you care for heavy hair, that glitters with beauty and is radiant and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this is the best investment you ever made. We sincerely believe regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair—you must use Knowlton's Danderine. It eventually—why not now?

STREET CAR STRIKE SPREADING THROUGHOUT PARIS

Paris, Oct. 27.—A strike of street car employees, which began in the suburbs of Paris yesterday, is reported to be spreading to the central district. Up to the present the strike has not resulted in the stoppage of the service, but there is considerable diminution in the number of cars running. The intrapartisan strike is due to the high prices of food and the insufficient wages paid the employees, especially the women, who receive five francs daily.

We Have Made Many Friends By The Wellworth Fits-U Mountings

As soon as our samples arrived, we decided the Fits-U Mounting would be a great success. Having over twenty years' experience in the Optical business, we found it necessary to look for something new and better. We succeeded in the new Fits-U Mount. By using this a three-millimeter larger size lens is possible, which is a great advantage to glass wearers.

We are the first in this city to acknowledge and use this new narrow mounting. Others will follow because of the undoubted merits it possesses. Our long test method is the reason we have not advertised the Fits-U before. We now strongly recommend them.

RECENT DEATHS

Rev. Dr. W. B. Craig.
Rev. Dr. William Bayard Craig, a native of St. John, died recently in California, after a most distinguished career in the ministry in the largest centres of the United States. He left St. John when a boy of eighteen years, soon afterwards being called to the ministry. Only a year ago he resigned from active newspaper work. An automobile accident hastened his death. Burial took place at St. John, N.S., Oct. 27, at the home of the late Mrs. Craig, the first matron of the General Public Hospital here, who will be remembered, probably, by some of the oldest citizens.

Mrs. Amelia Woodbury.
Fredericton, Oct. 27.—(Special)—Mrs. Amelia Woodbury, wife of Austin Woodbury, passed away this morning at the home of Harry A. Frodham, Gibson. The deceased was a daughter of the late Allan Hohen, of Marysville, besides the husband, two sons, Sherman, of Boston, and Lowell, of Calais, and one daughter, Mrs. Garfield Jarvis, of Montreal, survive. The body was taken to Calais tonight by C. P. R. Rev. Thos. Marshall conducted the service.

Albert Fawcett.
Sackville, Oct. 27.—The death of Albert Fawcett, Upper Sackville, yesterday at the age of 89 years, removes one of the leading men of Westmorland county. Descended from Loyalist stock, of sterling integrity, of more than ordinary intelligence, a man of broad mind and wide sympathies, deceased was a man whose loss will be sincerely felt. Only one brother, Wesley Fawcett, of Upper Sackville, survives, himself an aged and venerable figure. Besides a wife, who was a daughter of the late John H. Harris, Mr. Fawcett leaves two daughters, Mrs. Alice Town of St. John, and Mrs. Ernest A. Wheaton, Upper Sackville, and three sons, William B. and A. Chase, of Upper Sackville, and Samuel T. of Medicine Hat (Alb.).

The funeral will be held Saturday afternoon at 2.30 o'clock. Rev. H. E. Thomas will conduct the services and interment will take place in the Upper Sackville cemetery.

The death of G. W. Hunt occurred at his home at Cornhill East, on Oct. 24. He leaves his wife, one son, Charles, with whom he resided; one daughter, Mrs. Grey, of St. John; also one brother, Mr. Hunt, of Annapolis Ridge, and the sisters are Mrs. Chesley Dunfield, of Annapolis Ridge, and Mrs. Charles Belcher of Boston. Mr. Hunt was born at St. John in 1850, a son of the late Mr. and Mrs. Charles Hunt. He was twice married, his first wife being Elizabeth Huggison, and his second wife Mary Elliott.

The death of Christina, wife of Ralph Thorne, occurred in Havelock last Saturday at the age of eighty-two years. She was the daughter of Josiah Keith, one of the early settlers of Kings County. One brother, Crandall Keith, of Nova Scotia, survives; also an adopted son, Hattie Thorne.

Mrs. Mary Tingley died at the home of her son, Parnell J. Condon, New Glasgow. Mrs. Tingley was the widow

INSTEAD OF PAINT

Do you want your pretty home this season, but use instead Velux Creosote Shingle Stains. By so doing you will bring out all the beauty of the wood. And these stains contain Creosote, the greatest wood preservative known. This means prolonged protection against wind and weather. It therefore means economy.

Velux Creosote Shingle Stains

Half the Cost - Twice the Wear
Velux Creosote Shingle Stains cost about half as much as paint. And they wear much better because they penetrate the wood. They do not evaporate or dry out and of course they cannot peel off. These stains come in any color you want. They are very easily applied. You ought to investigate them. You have the complete line and we know you will like them. Write us for a sample of wood stained with Velux Creosote Shingle Stain.

CARLETON'S

WOMEN'S COUNCIL

A meeting of the executive of the Local Council of Women was held on Saturday afternoon in The King's Daughters' rooms, Chipman Hill. In the absence of the president, Miss Grace Leavitt, the first vice-president, occupied the chair. At this meeting the resignation of Mrs. T. H. Bullock as president of the council was read and it was with expressions of regret that her resignation was accepted. Other matters pertaining to committee work of the council were disposed of and the fact that some time in the near future Lady Aberdeen might visit the city brought this matter under discussion. As Lady Aberdeen was the founder of the Women's Council in St. John and, indeed, in Canada, particular interest was manifested in the reported coming visit.

Like A Boy at 50 Bubbling Over With Vitality—Taking Iron Did It

Doctor says Nuxated Iron is greatest of all strength builders—Often increases the strength and endurance of delicate, nervous folks 200 per cent. in two weeks time.

New York, N. Y.—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 30 and as full of vigor, vim and vitality as a young man; in fact a young man he really was notwithstanding his age. The secret he said was taking iron—Nuxated Iron. Now at 80 a miracle of vitality and his face beaming with the buoyancy of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only throw away patent medicines and nauseous concoctions and take simple Nuxated Iron, I am convinced that the lives of thousands of persons might be saved, who now die every year from pneumonia, grippe, consumption, kidney and heart trouble, etc. The real and true cause which started their diseases was nothing more nor less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking just like a plant trying to grow in soil deficient in iron. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times a day after meals for two weeks. Then test your strength again and see for yourself how much you can work or how far you can walk without becoming tired. I have seen dozens of nervous run-down people who were ailing

all the while, double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days, time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save the form. You must take iron in a form that can be easily absorbed and assimilated like Nuxated Iron. If you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prizefighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the fray, while many another has gone down to inglorious defeat simply for the lack of iron—E. Sauer, M.D.

Note—Nuxated Iron, recommended above by Dr. Sauer is not a patent medicine nor secret remedy but one which is well known to druggists and whose constituents are widely prescribed by eminent physicians everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, makes them black, nor upset the stomach; on the contrary, it is a potent remedy, in nearly all forms of indigestion, as well as for nervous, run-down conditions. The manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$100.00 to any chemist or druggist if they cannot take any man or woman under 60 who lacks iron and increase their strength 200 per cent. or over in four weeks time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by all good druggists.
