

CRIME SYSTEM TOO PERFECT TO MAKE PUBLIC

Whittemore Gang Most
Highly Organized,
Says Attorney

6 MEN AND WOMAN
Planned To Operate On Na-
tional Scale With Billion
Loot

NEW YORK, March 25.—An almost perfect crime system, with a billion-dollar loot throughout the United States as its object, was devised by the so-called Whittemore gang of night club frequenters now in the custody of the New York police.

So perfect was the system, as outlined from two sources among the arrested men, that Acting District Attorney Pecora has declined to reveal it, as a menace to public safety.

HIGHLY ORGANIZED.

"More harm than you would imagine, would be done the youth of the country if the plans were made public," he said. "We have learned how highly systematically was the crime organization which the gang members formed. The Whittemore band was the most highly organized I ever heard of. They had planned to operate on a national scale with a billion dollars in prospect as loot."

The band of six men and a woman, known as the "Tiger Girl" is ostensibly headed by Richard Reese Whittemore, of Baltimore, wanted in that city for murder, and identified as one of the gang which killed two Buffalo men in a \$200,000 holdup recently.

The slaying of at least one member of the band, who halted at orders, is also attributed to them.

The gist of the gang's system was

Off for school, full of pep SHREDDED WHEAT the perfect food for children

planned yesterday from a 22 page confession by Anthony Paladino. Details were added by three witnesses of the Buffalo robbery.

In addition, Wm. J. Unsicker, another of the band, re-enacted on the scene the holdup of two diamond merchants at Fifth avenue and 48th street, and the theft of \$170,000 in gems, last January.

The working method was so near failure-proof, Mr. Pecora said, that the present capture must be attributed more to luck than anything else.

Rumanian Prince Shies At Auto Races

PARIS, March 25.—Charles Ward, a nephew of Charles Schwab, director of the Atlantic City, N. J., speedway, has failed to induce former Crown Prince Carol of Rumania to become a professional auto racer.

Ward has called for the United States accompanied by Prince Cystria and Count De Maugre, racing no-

men who will help dedicate the new speedway.

SIFROID LEBLANC BURIED.

MONCTON, March 24.—The funeral of Sifroid LeBlanc took place this morning at 9 o'clock. Solemn requiem high mass was celebrated in L'Assomption church by Father H. D. Cormier, with Father Edgar LeBlanc as deacon, and Father Lemmenger as sub-deacon. The remains were taken on the Maritime Express to College Bridge where interment was made.

CUNARDERS NOT TO QUIT LIVERPOOL

Company Denies Rumor; Says
Services to That Port Will
Be Increased

Canadian Press

NEW YORK, March 25.—The Cunard Steamship Line has denied cable reports from Liverpool to the effect that the line contemplated abandoning that city as its home port, and announced that its service to that city had been increased.

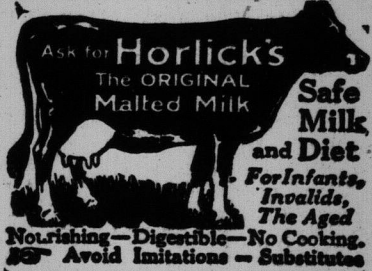

Starting May 1, the company will operate a fleet of five or more cabin ships in ports in the English Channel, calling at Plymouth, Havre and London. It was this change, the company said, which gave rise to the rumor that calls at Liverpool were to be abandoned.

Man Officially Born At Age of 46 Years

MANCHESTER, Conn., March 25.—Forty-six years after birth, Frederick Gustave Green's birth certificate was filed with the town clerk here yesterday. Mr. Green planned a trip abroad, when he learned his birth certificate was not on file. A search among family records revealed a slip of paper in the family Bible, recording his birth and baptism which, when sworn to by two friends of his parents, was accepted as part of the permanent town records.
