

More Than 1,000 Couple Will Dance In The Open Street

Shrine Convention Adds 400,000 to Washington's Population This Week — Massed Band of 5,000 Pieces.

Washington, May 30.—Large delegations from New England temples, including Aleppo of Boston and Moha of Springfield, were among the great throngs of Shriners who poured steadily into Washington and found the capital decorated and stocked for the largest gathering in its history. The Shrine convention will add about 400,000 persons temporarily to the population of Washington.

Beginning with Monday, a special feature will be staged almost every hour for the visitors. The city is colorful with decorations and illuminated with special illumination at night. Special decorative effects have been achieved by a distance of about two miles on Pennsylvania avenue from the Capitol to the White House.

Tall pillars or Egyptian Fan Towers covered with Shrine symbols are at the principal street corners along the avenue between the treasury building and the war and navy buildings (the White House is between these), and in-

cludes what is known as the Garden of Allah. The avenue is arched with colored lights every hundred yards. The ultimate of decoration and illumination seems to have been achieved. In the Garden of Allah. The avenue will be illuminated and there will be musical features nightly until June 10.

The first of the big features was an Indian exposition Wednesday, Memorial day, near the Union station. Indians and cowboys and cowgirls from the great open spaces entertained. The formal program of Shrine week will open on Temple Heights, Sunday, June 3, with a vocal and instrumental musical service. The imperial divan will visit Mt. Vernon Monday morning and early in the afternoon on June 4 the transcontinental caravan from the Pacific coast will arrive. Following the arrival of the caravan the Zeo Milestone in the rear of the White House will be dedicated, and then there will be a parade of motorbobs on the Potomac. A display of fireworks will wind up the evening.

The mammoth parade of the temple units will take place Tuesday morning, June 5, winding its way from the Capitol, past the White House, through the Garden of Allah to Washington circle. Grandstands occupy every available inch along the entire line of march.

The musical feature of the week will be Thursday morning at the American League Park, where the Shrine bands will be massed into one band of 5,000 pieces.

A civic military and historical pageant on the avenue will take place Thursday evening until 10:30, when the

"Dance of the States" will begin. More than 100,000 couples will dance on the avenue to the music of the Shrine bands until midnight. The music will be broadcast throughout the country, so that if you have a radio in your home you can keep in step. The Massachusetts Shriners and those from the other 18 original states will begin the spectacular dancing feature in the Garden of Allah.

More than 28,000 home owners and householders in Washington have opened their homes to the visitors at reasonable rates. It is the biggest thing of its kind Washington has tackled, and the city seems to be meeting the task in generally excellent fashion.

Special agents of the district attorney's office began an investigation of complaints of price gouging by certain business men in Washington in connection with the Shrine convention. The complaints were transmitted from Shrine headquarters and full operation of the machinery of the law in preventing profiteering as far as possible was promised.

Dist. Atty. Gordon said the investigation was pointed particularly at certain restaurants which, it was asserted, were preparing to increase their prices from 100 to 150 per cent. The charge was made that the proprietors of these places were acting in concert.

Some increases in prices were regarded by municipal officials generally as justified in view of the extra expense in the way of additional help, increased cost of commodities, and the like, which many business houses must incur in meeting the convention rush of business, but warnings were given that such increases should be held within reasonable bounds.

N. E. PILGRIMS TO BE RECEIVED BY POPE

Will Visit Vatican During Trip to Shrine at Lourdes.

Boston, May 30.—A large number of New Englanders, including many leading Boston Catholics, will be at Lourdes on Feast day, Aug. 16. All the world is sending pilgrimages to the famous shrine of Our Lady of Lourdes at the foot of the Pyrenees at this season, and the Holy Name Society is joining with them in making the feast day observance notable.

Miss Mary Catherine McDonough of 24 Peasevale road, Dorchester, Mass., is secretary of the New England delegation, which will sail from New York on the Julio Cesare July 7, and she will also act as hostess for the party and chaperon for the pilgrims of student age who will not be accompanied by parents.

The pilgrimage of the New Englanders has been planned by the National Holy Name Society, of which the Very Rev. M. J. Rippe, O. P., is director, with approval of the Pope, who will grant the pilgrims special audience, and on invitation of Cardinal Gaspari, secretary of state of the Vatican, who has already assured the New Englanders of cordial welcome in Rome during their stay in that city.

Pilgrims from all Catholic nations in the world are en route to Lourdes now, and each of the United States will be represented in the pilgrimages starting June 30, July 7 and July 14. The New Englanders will compose the July 7 delegation and will return about Sept. 1.

The annual meeting of the Silver Falls circuit was held last evening in the Methodist church with Rev. L. J. Wason presiding. Stewards for the ensuing year were appointed as follows: Brookville, J. W. Cassidy and George N. Breen; Golden Grove, Frederick Adams; Silver Falls, A. E. Joselyn and LeBaron Jordan; Milpee, Charles McKee; Red Head, George Harris; Mr. Cassidy, with Mr. Harris as substitute, was made representative to the annual district meeting.

An effort will be made to maintain the local bureau of the Employment Service of Canada here, where it has done good work, it was said yesterday. W. J. Ryan, the superintendent, said yesterday that there was a possibility of difficulties being smoothed out and the staff kept here.
