Crack Pros. Are Coming. Final arrangements have been made or the big professional meet which will be held here on February 24 and 25. Relegrams were received yesterday from Zverett McGowan, who won the Ameri-an outdoor professional skating meet; Bobbie' McLean, the professional indoor champion; Edmúnd Lamy and Arthur Staff, who established a new world's re-ord for the three-quarters mile at Sar-mer vesterday, assuring the local proord for the three-quarters mile at Sar-nac yesterday, assuring the local pro-noters that they would be on hand. Invitations to act as officials have been orwarded to Julien T. Fitzgerald, of hicago, president of the Amateur Skat-ng Association of the United States; Ar. Uhlien and Mayor Hennesey, Lake lacid, as well as to James A. Taylor and Louis Rubinstein, of the Canadian

and Louis Rubinstein, of the Canadian skating Association.

The events to be skated are the 220, 440, 880, one mile, three-quarter mile, two mile, and three mile. As Lamy suggests, the promoters may work in a five-mile race in place of the two-mile event. Several other races are being arranged in order to allow the professionals to rest up. There will also be a programme of fancy, stunt and acrobatic skating. The details of this will be announced later. Barrel jumping will nced later. Barrel jumping will

be a feature.

Three-Cornered Tie.

Sackville, N. B., Feb. 17.—A three-cornered tie features the western section of the Maritime Intercollegiate Hockey League, following last night's 6 to 1 victory here by Mt. Allison over Acadia. University. Acadia is said to have decided previous to the game that she would not engage in a play-off by the three teams in the event of Mt. A. winning last night, necessitating, as it would, a duplication of the three games played, without assurance of a decision even then. Manager Mitchell of Mt. A. announced after his team's victory last night that he would endeavor to arrange a play-off between the Sackville college feety minutes each with the situation is described as a strike in the situation: the more money, and measures the "more" in the thousands.
