The Best Overcoat Opportunity

That Will be Offered the Men of St. John and Vicinity

From Saturday Morning, October 16th, to Saturday Night, October 23rd, We put All Our Ready Tailored Winter Overcoats on Sale at

\$5 Off the Price of Every One, \$45 and Under \$10 Off the Price of Every One Over \$45

The Overcoats are stunning new models, just unpacked, from the foremost builders of Men's and Young Men's Overcoats in this country, 20th Century Brand, of which we are exclusive agents, and other makers. A portion of them came in at the end of last season when deliveries were very late, and are marked at last year's prices.

The fabrics used in making these overcoats are wonderfully good. You'll easily get several years wear out of them besides making such a big saving. They're meltons, cheviots, plain and fancy; heather mixtures, brushed wool, friezes. You'll like the way they set about the neck and shoulders and down the back. There's an ample choice of styles—belted, halfbelted, slip-ons, raglans, form-fitters, ulsters, Chesterfields.

This liberal price reduction is to induce men to buy early and help us turn over our stock

The reductions are squarely made from the regular normal prices, \$25 to \$80, and none can be allowed on approval.

To induce patrons of our Custom Tailoring to order early all overcoats ordered during the sale period will be subject to 10 per cent Cash Discount. As our overcoat cloths and linings were bought at last year's prices this equals at least 20 per cent less than their present value.
