**NERVOUS, THIN, AILING WOMEN**

Vinol Will Enrich Your Blood, Banish Nervousness, Make You Strong and Well

Physicians Recommend Vinol and Druggists Guarantee It

Pale, nervous, ailing women always tired, and often fussy, make homes unattractive and unhappy. You can readily change that tired, dragged-out, listless feeling to one of buoyant health by building up your blood, nerve and muscle tissue with VINOL.

It makes red corpuscles and enriches the blood, quickens the circulation, creates a hearty appetite, promotes sound sleep, strengthens the nerves and imparts renewed vitality, energy and vim to every organ in the body. The step quickness, the eyes brighten and a clear, healthy complexion replaces that pale, sallow color.

If such women could only realize the change that VINOL will make in their appearance by restoring strength and health, they would not rest until they started its use.

For all run-down, nervous, anemic conditions, weak women, over-worked men, feeble old people and delicate children, there is no remedy like VINOL. Your druggist will return your money if Vinol fails to benefit you.

## FINE STANDARDS OF STYLE AND QUALITY

Were Outstanding Characteristics of the Millinery Opening at the Manchester Robertson Allison Stores Today.

Winter weary eyes looked with delight upon the noteworthy display of new spring millinery being exhibited in the M. R. A. Ltd. Millinery Salon today. Exclusive models for Miss and Matron alike were viewed, reflecting many altogether new style notes, produced by master milliners, consequently exquisite in every detail.

Russian, Egyptian and Chinese motifs were seen modernized in attractive ways and new straws and fabrics were used in fascinating combinations. The Millinery Salon was tastefully and appropriately decorated for the occasion with masses of bright flowers, lending a real spring-like air to the surroundings.

Notable in the showing were the clever uses of raffia embroidery as trimmings for crowns or brims, fringed hair cloth for hat foundations, pale cellophane for crowns or entire hats and sheer Chantilly lace for brims and drapings. Oil cloth and Petersham hats were also outstanding features and of the face shapes were predominating.

Women who were denied the pleasure of seeing today's display might be interested to know that among these tastefully chosen creations was seen a typical Blue-Bird hat, in small turban shape, with round crown of navy millan and soft roll brim of Mottellock blue faille, hand embroidered in blue-bird pattern, with touches of gold. Two long curled whips were used as garniture, also a sunflower hat of all black maline with petal shaped brim and wheat ornamentation, and a charming black dress hat with broad brim of Chantilly lace, crown of upper pale cellophane and band and streamers of turquoise blue velvet. Under the brim a small flower of cerise velvet was charmingly placed.

A French pattern hat of picturesque beauty was fashioned in toque shape, with high coronet front, composed entirely of this colored roses. Crown was of navy millan and hat had bewitching scarf of maline to match.

Jazz caps were among the new and decidedly smart. They were made entirely of pale hued velvet roses.

The Chinese influence was apparent in a creation of navy oil cloth outlined with silver threads.

Another novelty was a follow-me-lad sport hat made of rows of copper, jade and sand petersham. This had chin-chain brim with small fruit ornament to match.

Customers pronounced this spring opening a very brilliant success and the women who are planning to see these hats tomorrow will look forward to a very interesting event.

## GREATEST CHANCES FOR DRY GOODS ECONOMY

N. J. LaHood Determined to Clear Out Present Stock Before First of May—Going Out of Business.

## STORE TO BE CLOSED

King Square Sales Company—Evidence All in.

The manager of the King Square Sales Company came to a decision yesterday that he will be forced to close his doors probably all day Thursday, in order to allow his staff time to mark down prices on all lines for the expected sale.

Although a great new stock of men's, women's and children's clothing, boots, shoes and rubbers have just arrived, the proprietor is determined to sell everything at the lowest prices ever quoted in this country.

It is stated on good authority that the great sale will start Friday at 10 a.m. Those who come early will naturally have the greatest advantage, but the opportunities for all are golden.

Thus one of the city's greatest retail stores will pass—leaving a memory of value and satisfaction never to be forgotten.

## Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll know how quickly a bad cough can be conquered, until you try this famous old home-made remedy.

Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 10 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about one-third of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm "let out" and they disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and accept anything else, and you are guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulford's coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

## HEART SO BAD WAS NOT SAFE TO LEAVE HER ALONE

Miss Eva F. Yatenan, Krugersdorf, Ont., writes: "I feel that I must write and tell you of the great benefit I have received from Milburn's Heart and Nerve Pills. About four years ago I was terribly bad with my heart, nerves and fainting spells, and was down in bed for about six months. I doctored with two different doctors and seemed to get better, although the fainting spells would not leave me. I would take such terrible falls, wherever I was, that it was not safe to leave me alone at any time. At last I decided to resort to proprietary medicines and took several different kinds, but seemed to receive little benefit from them. One day noticing the advertisement of Milburn's Heart and Nerve Pills I decided to try them, and before I had taken more than two boxes I could see they were helping me. I have taken about ten boxes, and an almost total of those terrible spells. I sincerely feel that your medicine has proved a blessing to me, and I advise any one troubled with their heart to try them, as I am confident they will find relief."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
