QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You

No man or woman who eats meat re-gularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they became overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizzlness, sleep-lessness and urinary disorders come from submariable became.

Sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get four onnees of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for gen-erations to flush and stimulate the kidneys, also to neutralize the acids in urino so it no longer causes fritation, thus

ending bladder weakness. Jad Salts is inexpensive and cannot in-jure; makes a delightful effervescent li-thia-water drink which everyone should

Do You Know Why This Remark Is Made?

The reason for this is that your liver is sluggish. your bowels inclined to be constipated, and your blood thick and impure.

This is caused by the amount of rich and heavy food you have eaten during the winter months to keep your body warm.

"Is it not enough to clog the system up with waste and poisonous matter?" What you need is something to put the blood in proper shape and prepare it for the hot summer months.
