Suits AND Overcoats

Made-to-Your-Measure

We, the Strand Tailors of Toronto, have made many friends and many good customers by our splendid service on former occasions. We have been asked to come by some of these former customers and make a showing to give them and their friends, whom they have been telling about us, a chance to order some suits and overcoats. We have come on this invitation and are showing entirely new lines.

These lines of Suits and Overcoats are pure wool, latest pattern, most fashionable colors. No competing house can show such attractive and high grade materials. Another attractive feature, and exclusively started by us, is the fact that we have REDUCED PRICES.

During the quiet season this past summer, we have been re-organizing our staff and have found that we can economize in production cost and still give a better finish to our garments; put more time on each order and give better workmanship, and cut 'way down below our former price.

Every Suit and Overcoat Guaranteed

By STRAND TAILORS, Toronto

The Famous Made-to-Order Tailoring House

The finish and workmanship will be better than ever before. We have improved our system so as to give better service and better quality all through from now on. These goods are in the latest styles and the price of \$24.00 is for either Suits or Overcoats. We emphasize the fact that these are all wool goods, and would cost, if purchased from a local merchant tailor, about \$50.00. Our price, with absolute satisfaction guaranteed, is

\$24.00

We have been very fortunate in securing in the market a very superior line of English and Scotch wools. These are very fine fabrics, finer than any we have previously been able to secure for our trade. They are absolutely pure wool; some have silk thread running through, making a dainty stripe. The Suits are in serge, tweed and worsted. We call special attention to our Navy Blue Serge, genuine indigo dye, guaranteed. Beautiful, soft material. In selling them for \$30.00, made to your measure, we are offering a Suit which would cost at least \$75.00 in a regular tailor shop.

Our \$30.00 Overcoats are for Fall and Winter. Fall Coats of suitable materials in Chesterfield style. The Winter Overcoats are of thick, soft, fleecy wool materials in plain colors of brown, black, heather and mixture, with fancy backing. These Overcoats could not be purchased elsewhere for less than \$60.00 each. Made in ulster or storm coat styles. They are bargain.
