

On motion the Secretary was requested to give the full christian and surnames of members, together with any academic or other title, if any, as well as residence, with post-office address and street number; such particulars, if not now supplied, to be obtained by correspondence or otherwise.*

"It was also suggested, *in re* illustrated catalogue, that a cut of Father Jones be obtained from the owner to insert with the present Exhibition catalogue."

Meeting adjourned.

* This resolution probably has reference to published lists of members, as these appear in the Annual Reports.
