

their engagements to the special Mission effort among the Indians of Fort Pelly, N. W. T.

We notice, with increasing confidence the good work being done by the Young People's Society of Christian Endeavor, and believe that greater things will yet be done.

We cannot forget, in this glance at current events, that our thanks are due, and are hereby tendered, to the ladies and gentlemen of the Choir, under the leadership of Mr. Wheeler, for the good will and fellowship that have obtained among them, for the Christian deportment manifested by them, and for the able and pleasant assistance they have given the Minister in attracting congregations to the House of God, and rendering His worship more delightful.

Here we wish to gratefully thank the Board of Management and whole Congregation for providing our Moderator last summer with the acceptable and faithful assistance of Mr. Jas. S. Scott, of University College, Toronto.

We notice with approbation an extension of our work by the opening of a largely attended Prayer Meeting in the Oxford Street Sunday School building, every Wednesday evening, and hereby commend it to our people in that district.

The "In Memoriam," herewith published, is unusually large. Many dear old friends, some of them wise counsellors, some liberal contributors, some young, bright and full of promise, have passed into eternity. Our sympathy goes out to all who mourn. May God wipe the tears from their eyes.

In this connection we make special reference to one of our brother Elders, respecting whom the following minute has been put on our records:

"The Session hereby unanimously record their sense of the great loss which, under the hand of God, they and the whole Congregation have sustained in the death Dr. J. M. Fraser, who, on the 2nd of August last, in the prime of his usefulness, was called home to God. By his clear and judicial mind, his amiable disposition and his pure life, he commanded
