

## EVERING SESSION.

The evening session was opened by the Choir singing "Onward, Christian Soldier," A. A. Pineo, President, in the chair. Prayer was offered by Mr Kilcup. The minutes of former session read and approved.

In the absence of Rev. W. Alcorn, Mrs Weldon, of Grafton, read a most excellent and instructive paper on "The Relation of the Sabbath-school to Home Training." The speaker pointed out clearly the duty of parents to train their children, enforcing it by Scripture, example and precept. She also showed that the Sabbath-school was intended as a *supplement to*, not as a *substitute for* the "Home Training." The paper was discussed by Dr Woodworth, T. E. Smith and Rev. D. H. McQuarrie, who all spoke of its merits and practical power. A vote of thanks was tendered to Mrs Weldon for her paper.

Music by the Choir.

Miss L. Eva Andrews then read a paper on "The Temperance Pledge in the Sabbath-school." The paper was well prepared and well presented to the audience. It was carefully and concisely and eloquently argued that the "Pledge of Total Abstinence" is a necessity in the Sabbath school. This was the first time that this subject had been presented to this Convention and it commended itself highly to all present. Miss Andrews' paper was highly appreciated and a vote of thanks was tendered to her by the Convention. The subject was discussed by Brethren Jefferson, Dunham, Pelton, and Rev. D. Freeman.

The following resolution was unanimously passed: Resolved that this Convention recommend all Sabbath-school Superintendents in connection with it to introduce a pledge into their Sabbath-schools pledging to abstain from *all intoxicants*, the use of *tobacco*, *profane language* and the reading of *bad literature*.

Rev. S. B. Kempton and the President were appointed delegates to the Provincial Sabbath school Convention.

The appointment of the next place meeting was left to the Executive Committee.

Votes of thanks were tendered: To the people of Canning for their unbounded hospitality and kindness to the delegates, and also to the Committee of Management for their efficient care of the members of the Convention; to Mr Farnham for leading the service of praise, and to the choirs of both churches for their excellent music; to the trustees of both churches for the use of these buildings; to the county newspapers for publishing the notices of these meetings.

The benediction was pronounced by Rev. W. Ainley.

The collections amounted to \$13.50.

W. DAWSON, Secretary.

A. A. PINEO, President.
