HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the Weak, the Nerves, the Delicate, and the Laxative of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly compounded to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, cutting out any dangerous matter in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in a host of the world, that nothing is so beneficial and equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY, ILL HEALTH.

Many of the most despotic Governments have opened their Courts in Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Cui goes so far as to say that this is the best remedy ever known for persons in delicate health, or where the system has been injured, as by irregularly proper, is never said to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without a box of these celebrated medicines. I can testify that I have seen many cases of ailment, which is also the best and safest cure that can be given to children of all ages, and for any complaint consequent upon a faulty system.

Holloway's Pills are the best remedy known in the world for the following Disorders:

AYER'S PILLS.

A new and singularly successful remedy for the cure of all Bilious diseases—Constipation, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Intoxication, Headache, Pains in the Head, Stomach, Back, and Limbs, Female Complaints, &c. &c. Induced, very few are the diseases in which a Purgative Medicine is not more or less required, and such sickness and suffering might be prevented, if a harmless but efficient Cathartic were more freely used. No person can feel well while a clogging habit of body prevails; besides it soon generates humors, and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is all the truth of Ayer's Pills, which have been shown in their effects upon the human system.

Dr. J. C. Ayer, of Lowell, Mass., has been selected by the public health, and this pill has been prepared with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, where they were not obtained by persons of such exalted position, and character as to forbid the supposition of fraud. Among the eminent gentlemen to whom we are allowed to refer for their facts, are:
Prof. VALERIAN MORRIS, the distinguished Surgeon of New York City.
DOCT. A. A. HAYES, Practical Chemist of the Port of Boston, and Geologist for the State of Massachusetts.
ISAAC L. MOORE, M.D., an eminent Surgeon and Physician, of the City of Lowell, who has long used them in his extensive practice.
H. C. SOUTHWICK, Esq., one of the best Physicians in New York City.
C. A. DAVIS, M.D., Surgeon and Surgeon of the United States Marine Hospital, at Chelsea, Mass.

Did space permit, we could give many laudatory such names, from all parts of the world, who have been used, but evidence even more convincing than the certificates of these eminent public men is shown in their effects upon the human system.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete with the present state of medical science can afford. They are compounded not only of Vegetable remedies, selected by the most experienced process, in a state of purity and combined together in such a manner as to insure the best results. The system of composition here employed, has been used in the Cherry Pectoral and Pills, to produce a more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obvious. While in the mode of composition, every medicine is burdened with more or less of the mucus and impurities of the stomach, which the effect is present. All the hurt and obnoxious effects of such substance employed, is entirely behind the curative virtues only being retained. Hence it is self-evident, the effect should prove as they have proved upon many, numerous, afflicted Pills, a more powerful antidote to diseases than any other medicine known to the world.

As it is frequently evident that my medicines should be taken under the guidance of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate formula by which both my Pectoral and Pills are made, to the whole body of Practitioners in the United States and British Empire. If however these should be any one who has not received them, they will be promptly forwarded by mail to the subscriber.

Of all the Patent Medicines that are offered, how few would be taken if their composition was not made plain to the public. I have no secrets. The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their anticipations were more than realized by their effects upon the human system.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting wherever they exist such derangements as are the first origin of disease. Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the box.
