MR. FOSTER DID WELL

There was no part of Hon. George F. Foster's speech at the Landowine rink which met with more general approval than that in which he denounced Mr. Ellis for his unreasonable utterances and expressed regret that this constituency should send such a man to Ottawa as its representative.

Mr. Foster's speech was so well received that he did in regard to Mr. Ellis, simply voiced the views of the majority of the people of this city, who are heartily ashamed that a man should be representative of this constituency who has been an indorsement of an infidel, and who seeks to incite the belief, and who we know from his own conduct, that he is an unscrupulous man.
