There was nother estate from my father, and I have also come ing surprising in the fact that Mrs. Derwent to Mexico to endeavor to make money in ventures which I hope may not prove peril-\$6,000,000 was more struck by the surroundings of the young heiress than by her remarkable love-A Savings Department has been opened in liness. The luxurious carriage which awaitposition and wealth of the people with whom his good fortune had associated him. As he sed the equipage on the Pasco, Derwent

could not but smile at the expression of his nother's face as she lay back on the softly. cushioned seat, regarding with a look of per-fect satisfaction the brilliant scene of what she was a part. He was not surprised that, when they met t dinner, Sibyl's enthusiastic adn

overflowed all verbal bounds. 'She is simply the most beautiful creature that I have ever seen !' she said, referring to Zarifa. 'I really did nothing but stare at her; for she is a perfect picture of loveliness. And when her eyes light up, and she makes that fascinating little Mexican salutation with the fingers, she is utterly be witching. Geoffrey, if you were to swear until you were black in the face that you did not fall in love with her when you were out at their place, I should not believe you. There was no need for me to subject my self to such an unpleasant test, then, Sibyl,' answered Geoffrey, calmly. 'But I may be allowed to remark that it would be as sensible for me to fall in love with a royal prin-

cess as with Dona Zarifa. She is the greatest heiress in Mexico, and will no doubt make a great alliance. 'There is a very hackneyed proverb' which it strikes me might have an application in this case, said Halbert. 'We know what is said of a faint heart and a fair lady. The fair lady is here, May not the faint heart

LADIES' ULSTER CLOTH, LADIES' SHAWLS AND CLOUDS, LADIES' FUR COL-I really do not see,' observed Mrs. Der-Geoffrey would hesitate to offer himself to ortune of his own—'
'My dear mother,' interposed Derwent,

with a gallant attempt to laugh, 'the matter' has not reached the point of even a contemplated proposal. I have the honor to admire Dona Zarifa exceedingly, but beyond that my presumption does not venture. 'I am unable to perceive where the question of presumption comes in,' said Mrs. Derwent, majestically.

Dona Zarifa's wealth and resorts imagination was ed upon her, but now her imagination was requisite for working.'
