

KING'S COLLEGE SCHOOL, WINDSOR, N. S.

HEAD MASTER: REV. ARNOLDUS MILLER, M. A.

Of Toronto University, and Victoria University, Coburg.

This School is in direct connection with King's College, and is carried on under regulations prescribed by the Board of Governors.

The object of the School is to provide a sound religious classical, mathematical, and general education, in conformity with the principles of the Church of England; but it is open to all denominations without restriction.

Pupils belonging to the Church of England attend the Sunday services in the College Chapel, but those of other denominations may, if required by their parents, attend the Sunday services of the denomination to which they belong. In the latter case certificates of proper attendance will be required from the minister.

While ample provision is made to prepare boys for the University and high Civil examinations, the utmost attention is devoted to imparting such a training as may fit them for all pursuits and professions and enable them to take that position in society which is conceded only to men of liberal education and refined habits.
