Barlow's Corner,

North side King Street, St. John, N. B., entrance from Market Square.

THE Subscriber having leased for a number of year, the upper apartments of Barlow's Building, North side of King street, at a having at a great expense furnished a *Receiving Room and Picture Gallery*, in connection with the Operating Department, where visitors can view and examine the numerous specimens of DAGUERREOTYPE ART, and having, at a considerable outlay obtained the latest improvements in the Art, as at present in operation in England, Paris, and the United States, by which improvements Likenesses can be taken in a shorter space of time, and the finish and durability of the Picture finer and more lasting than those previously taken by the subscriber. He therefore hopes to receive a continuance of that patronage which has heretofore been bestowed upon him by a discerning public.

He would respectfully invite the Ladies and Gentlemen of St. John, and persons visiting the City, to call at the PICTURE GALLERY, as he is certain that as far as specimens of the Art and the style and the style and splendour in which the Gallery has been fitted up is concerned it will be pronounced equal in every respect to any in England or America.
