### Every Woman's Ambition For Rosy Cheeks Now Easily Satisfied

Hollow cheeks with dark lines under the eyes, how a woman hates them! But rosy cheeks, clear skin, and bright eyes, give them to a woman and she is happy.

The woman who attracts, whose fresh, dainty complexion commands admiration, is always careful of her health, particularly of her blood condition. Bad complexion always means bad blood.

Girls, don't let your blood grow thin or watery. To do so brings on haggard looks and declining strength. Many a woman who has allowed herself to run down, to develop that tired, worried look has built up again in this simple way. Why don't you try it?

At the close of every meal, just take two small chocolate-coated Ferrozene Tablets—any person can do this in a minute. The action of Ferrozene is apparent at once. It sets you up, makes you feel good, starts up your appetite, aids digestion, brings that old-time feeling of youth into the system again.

Ferrozene puts you on the right road—the one leading to health. Not a man, woman or child needs blood, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who won't receive immediate help from Ferrozene.

As a tonic and restorative, as a health-bringer and body-builder, Ferrozene is unrivaled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. For better looks and better health try Ferrozene yourself, sold everywhere, 50c. per box, 6 boxes for \$2.50, or by mail from The C. J. Harris Company, Kingston, Ont.

When you can't sleep you should use Milburn's Heart and Nerve Pills.

Sleeplessness is caused by the nervous system becoming deranged. Perhaps too much worry has gotten on your nerves, perhaps you have overworked yourself, or have been excessive in your use of tobacco, but whatever the cause, the nervous system must be built up again before restful sleep can be assured.

Those whose rest is broken into by frightful dreams, nightmares, sinking and smothering sensations, who wake up in the morning as tired as they went to bed can have their old, peaceful, undisturbed, refreshing sleep back again by using Milburn's Heart and Nerve Pills.

Mrs. John Sloan, Haley Station, Ont., writes: "Over a year ago I was very nervous. I could not sleep at night, and I would faint at the slightest fright. I tried several doctors, but they did me practically no good. I noticed your advertisement, and immediately tried Milburn's Heart and Nerve Pills, and I am proud to say they cured me."

Milburn's Heart and Nerve Pills are 50c. a box, or three for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
