"THE DAILY TRIBUNE"
the opening number of which we present to our readers to day, is intended to be a journal worthy of the patronage of all respectable classes of our community. It shall be the Editor's aim to conduct it so that the commercial, industrial and social interests of the Dominion may be advanced, while its management shall know neither party, nationality nor sect. The Daily Tribune will support all sound legislative measures, wherever they may originate, and oppose every scheme prejudicial to the public good, by whatever political party it may be upheld. While Dominion and Provincial affairs will thus be fully and impartially treated, special attention will be given to matters relating to the City and County of St. John. That our City may retain its present pre-eminence as a commercial centre, greater ability and energy must enter into its corporate management. Its Harbor interests require the most vigilant scrutiny, and not less, but more, important are those guarantees which should be, but unfortunately have not been, taken for securing the Public Health. The Construction and Lighting of our Streets, the Water Supply, the Sewerage Question, the proper distribution of Taxation, the support and management of the Public Schools, are also matters of great moment and are intimately related to our City's commercial prosperity. With such questions we shall deal faithfully, although we do not propose that their discussion shall wholly overshadow the many interesting topics that will engage the attention of the inhabitants of other Provincial towns, whose more important local news will be chronicled, from day to day, in these columns.

Special Correspondence, from leading Political and Commercial centres, will be laid before our readers, as circumstances may require; and Letters from the People when brief, dignified and "to the point," will be welcomed. (Contributions from long-winded and prosey letter writers will be respectfully declined.)

Arrangements are progressing for a full and regular supply of Telegraphic News; and when exciting and important Foreign News may be expected, ample Special Telegrams will be forthcoming in THE DAILY TRIBUNE.

The Shipping Reports of THE DAILY TRIBUNE will be found, after the present issue, unusually full and reliable, and such as to secure for the paper a place in the offices of the thousands in the Province who are interested in this important element of our commercial prosperity. A weekly financial Report will also be published—one we trust, that our Merchants will find valuable for reference at home, and for the information of their correspondents abroad.

To Advertisers we offer a sheet whose circulation we propose to extend by all honorable means. We shall not rest satisfied until THE DAILY TRIBUNE finds a place and a welcome in every counting room, and in the home of every newspaper reader, in the City. With Editorials treating of a variety of subjects; with Foreign and Domestic News intended to interest most of the numerous classes of which the reading community is composed; with copious Telegrams, bringing under view the latest intelligence from all parts of the world; and with those other elements that enter into the management of a live newspaper, and which need not here be more particularly referred to, THE DAILY TRIBUNE anticipates a favorable reception at the hands of the Public; and this favor can best be shown by rapid sales and well filled advertising columns.

WHERE SOLD.
The Subscription price of THE DAILY TRIBUNE is \$5 per annum, invariably in advance. Carriers will deliver early in the evening at the houses of City Subscribers, and Country Subscribers will be served by the first mails leaving after the hour of publication—say 4 P. M. Postage (except when the paper leaves the Dominion) must be paid at the office of the Subscriber.

That THE DAILY TRIBUNE may be placed within the reach of all who may desire to read it, it has been decided that, in addition to sales by the street News-boys, and on the Railroads, and delivery by our Carriers, the paper shall be offered for sale at the following central points in and near St. John:—

R. S. Matthews, Indian town.
In CHARLOTTE:—At the Agency of H. Chubb & Co., and on the street.
In FAIRVILLE:—At C. F. Tilton's, Post Office.

The DAILY TRIBUNE may also be obtained at the Stations of the E. & N. A. Railway. We have only space to add the names of a few of our country agents, such as Mr. A. H. Clewley, St. Stephen, Mr. J. S. Magee, St. Andrews, McLaughlin & Sons, Fredericton, Mr. W. Eberly, Woodstock, Mr. J. W. Pitfield, Moncton, Mr. Ovid Chapman, Shediac, Mr. T. G. Barnes, Ousekeng. A complete list, however, will be given in another issue.

RATES OF ADVERTISING.
The DAILY TRIBUNE will unite, when requested, with the other City Newspapers in treating all Advertising as "transient;" that is, it will regard with favor the abolition of agreements for advertising "by the year." The latter practice has gone out of fashion in all well managed newspaper offices; and being a most unjust arrangement, both for the Newspaper and a majority of the Advertisers, should have ceased to exist in this City many years ago. Such a step might place the Tribune at a disadvantage, for a time, in the race with its older and more vigorous Daily competitors, such as the Telegraph and Journal, Globe, and Morning News; but it would establish a just principle, and, in the end, prove advantageous both to the advertising Public and the Press. Until a change of the character proposed, however, be consummated, the rates for Advertisements in THE DAILY TRIBUNE will be as follows:—

A limited number of yearly contracts will be made on the basis of \$30 for one inch of space, several changes being allowed, say, \$30 Two inches, with changes, 50 500 For a Card of 5 lines, 1 year, unchanged, 12 For Advertisements of Government, Corporation, Railway, and Steamboat Co's., and other public bodies,—for Theatres, Concerts, Lectures and other public entertainments, say first insertion, 60 cts Each subsequent do. 40 cts For ordinary mercantile transient advertising, say, first insertion, 60 cts Each subsequent do. 30 cts For condensed advertisements, to occupy 5 lines, such as Wants, each and every insertion, 25 cts. A few special agreements, having reference to position and extra space, will be made at paying rates.

OTHER MATTERS.
We shall be pleased to receive from any of the friends of the TRIBUNE Local News for its columns, and suggestions in reference to subjects requiring journalistic treatment. The news items should be reliable, and the remarks of a practical character. Special contributions will be received, and, when their public value appears to warrant, will be paid for. Extracts from the business letters of Merchants, which in many instances, contain valuable facts and statistics, might frequently be supplied to Editors with advantage to the public. A corner in the DAILY TRIBUNE will be reserved for such Correspondence.

In conclusion, the subscriber would ask for this new enterprise the countenance and practical support of the reading and advertising community. If, in the past, he has been so fortunate as to assist, even to a limited extent, in furthering those interests which have at that grand career of prosperity and influence which appears to lie before her, he has been amply rewarded for the labor of many years. For the promise of the future he can only refer his readers and friends to the performance of the past.

JOHN LIVINGSTON.
"THE DAILY TRIBUNE" Office,
St. John, Dec. 21, 1871.

Business Arrangements.
The fact that this journal is issued nearly a fortnight earlier than was anticipated, with a view to participating in the Holiday advertising, which the merchants of St. John deal out so liberally, will probably be accepted as reason sufficient for any imperfection that may appear in the initial number. The printing paper is not as heavy and bright as we propose to use; types now en route to us will improve its mechanical appearance; and the Editorial and business staff will be fully organized by the first of January. Offices, centrally located, have been secured in Prince William St. The southern half of Mr. George Philip's office has been taken for a business office, and the Globe's former editorial rooms and offices adjacent, will be occupied by the TRIBUNE Editor and Reporters. These, however, are at present undergoing renovation, and cannot be used for a few weeks to come. In the meantime, parties having business to transact with THE DAILY TRIBUNE will find us in the same building but in the third story.
