REV. W. G. HOWSON, MINISTER
Next Sunday being Easter Sunday, the music and addresses will be in keeping with the glad day. Subjects: 11 a.m., "Our hope of immortality," a very interesting and inspiring theme; 7 p.m., "The nature and marvellous possibilities of the spiritual body in the future life," what science and revelation have to say about it. The musical selections will be specially good. Everybody welcome to these festivals of song and service.

The new Ontario game laws provide an open season for all small birds, quail, partridge, grouse, pheasants, etc., and the dates will be October 15 to November 15. Under this will be included woodcocks, gray squirrel and hares. A bag limit of 25 for the season is set on quail and not more than six per day can be taken. It is likely that action will be taken towards licensing guns in Ontario.

A Severe Loss.
As a nation the United States has suffered a severe loss, in recent years. It has lost the phrase, "I cannot afford." When the housewife today finds an article she needs too expensive for her to purchase she does not say so. She hems and hedges, but does not come out with the frank and convincing statement, "I cannot afford." She thinks she cannot afford nowadays not to afford.—Chicago Tribune.

Life's Lengthening Span.
A Chicago doctor prophesies that children born in 1950 will have an average length of life of 100 years. The prophecy is based on a study of statistics, which show that the average length of life has been steadily increasing for fifty years, and he thinks that the rate will be maintained.

People profit more by experience in speculations in which they make than in those in which they lose.

Many a man has just missed being great, but the fact never has been chiselled on any one's tombstone.

Troubles must come to all men, but those who are always looking for them will have the largest share.

When moved to tell your troubles to the world remember how you felt the last time you had to do the listening.

Borrowing money from friends has caused a number of men of splendid mentality to absolutely lose their memory.

Did you ever think what a lot of good you might have done had you begun yesterday instead of waiting until tomorrow?
