Tuckett's

T and B Myrtle Cut

For 50 years T and B Myrtle Cut has been the true friend of the veteran smoker—the man who delights in the smooth, cool, sweet flavor of the well-aged, sun-cured Virginia leaf. Win the trade of the head of the house by stocking his favorite blend, one of the Tuckett three—"Myrtle Cut," "Orinoco" or "Our Seal"—a tobacco for all stages of smokers.
