**TOASTED  
 CORN FLAKES**

10¢

**G**IVE a touch of variety to your dish of Kellogg's tomorrow morning by adding fresh fruits to the usual cream and sugar. The purifying, gently stimulating acids of the fruit will blend agreeably with the delicate "toast" flavor of the crisp corn flakes. Kellogg's are always fresh, always nourishing, and easily digested; served with fresh fruit and sugar they please the palate and satisfy probably every normal need of the body.

**Peerless Poultry Fencing**

A real fence, not netting. Strongly made and closely spaced, a complete barrier against animals of any kind. Keeps the small chicks confined. They can't get through. Does all and more than is required of a poultry fence.

The heavy, hard steel top and bottom wires with intermediate laterals will hold a carelessly backed wagon or unruly animal and immediately spring back into shape.

The wires are held together at each intersection by the Peerless Lock.
