

Frankly,  
this has  
been my  
finest  
year as  
president!

I've got the  
board of  
governors  
and the  
Chairpersons  
eating out of  
my hand

I've got  
faculty  
divided  
on the  
question of  
unionization.

Oodles of  
bucks are  
pouring in  
for Dalplex  
and students  
are thinking  
of adding  
even more

I got the  
engineers  
and CUPE  
to settle  
for 5.5%

If I  
could  
just get  
rid of  
the damn  
Gazette  
the place  
would run  
like a  
dream!
