NEW DATSUN 1600 more than ever, the more-for-your-money cars

three for the road The Datsun 1600 changed a lot of people's ideas about economy cars. It proved that a compact-sized, low-cost car can look good, give five hefty Canadians a quiet and comfortable ride, handle and perform like high-priced imports — yet still be economical to run and low on maintenance.

This year, the new Datsun 1600s are loaded with more new ideas and features to make them even better and safer than ever before! We also added a new model.

Now you have a choice of three Datsun 1600s: the sporty new 2-door, a deluxe 4-door and deluxe family wagon.

engineered for safety The Datsun 1600 is one economy car that didn't skimp on safety. To start with, Datsun has a specially designed impact-absorbing body to protect passengers inside the car.

And the Datsun 1600 sedans have a remarkable

all-independent suspension system that makes the car amazingly nimble, easy to handle and gives a smooth, level ride over the roughest Canadian roads.

Disc brakes up front, now with the double protection of twin master cylinders, stop you sure and straight. Other standard safety equipment: a life saving collapsible steering column, headrests, belt/shoulder harnesses, 4 headlights, heavily padded dash and interior fittings, plus quite a few more.

Datsun 1600 is probably the safest economy car you can own.

96 hp, 100 mph, 30-35 mpg

Datsun's got safety and performance.

In its price class, only Datsun 1600 gives you a high-performance 1600 cc overhead cam engine that's good for 96 HP and 100 MPH. It means great pick up and all-day cruising at 70 MPH. And all the time you'll get 30-35 miles per gallon.

Go for the butter-smooth 4-on-the-floor with stick or the 3-speed Borg-Warner automatic — either way you've got a lot of fun-driving ahead of you!

quiet and comfortable The Datsun 1600 has "windows up" ventilation. Fresh air streams in through adjustable ventilators on the dash, circulates, and stale air is automatically extracted through rear vents. The instant-acting heater/defroster keeps you warm and your windows clear through the coldest Canadian winters. You get a quiet, comfortable ride in a Datsun!

We've got 150 Datsun dealers coast-to-coast in Canada and \$1,000,000 in parts to back you. There are more than 700 Datsun Dealers in North America — so you're never far from service. Test drive Datsun 1600 at your nearest dealer soon!
