

I am therefore to enclose a copy
 of the license in question and to state
 that, provided you are willing to
~~forfeit~~ ^{waive} the right in the enjoyment
 of the privileges granted by that license
 as regards the Islands lying north of
 Moore Point not covered by any
 previous license issued by your Depart-
 ment the Superintendent General
 will be prepared to transfer to your
 Department an equitable proportion
 of the house and ground rent paid by
 the right to this Department amounting
 in all to \$1422.

The Superintendent General
 regrets that he cannot pronounce
 a final opinion as to the claims
 between Parry Island and Moore
 Point, the evidence at present before
 him not being sufficiently conclusive.
