Ottawa, March 24, 1914.

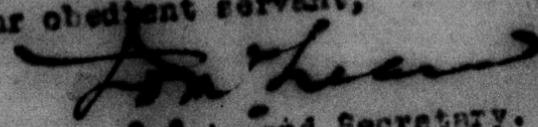

Sir,

With reference to your letter of the 18th instant, I beg to inform you that it is proposed to cancel the Order in Council conveying the land in the Fort William Indian Reserve now held by your Department and to have a new Order in Council issued for the tract of land shown on the blue print plan enclosed herewith. Please note that this includes the tract to be transferred to your Department in exchange for the triangle at the West-erly end.

It is therefore desired that your Department should have a survey made of the entire tract to be well marked and posted on the ground and to have a plan made of which a copy should be sent to this Department together with a description to be inserted in the Order in Council. It is hoped this will meet your approval; further action in the matter will be held in abeyance until the plan and description above referred to have been received.

Encl.

Your obedient servant,

  
Assistant Deputy and Secretary.

The Deputy Minister,  
Dept. of Militia and Defence,  
Ottawa, Ont.
