**Rev. T. B. Hyde, Northern Congregational Church, Toronto.**—"I have read the book with interest, and believe it contributes to the present interesting and valuable movement toward Church Union, which is so much to be desired."

**Rev. W. H. Withrow, D.D., F.R.S.C., Toronto.**—"Mr. Watson's book is very well written, and discusses very important aspects of religious truth. I was specially impressed by the chapters on those very practical subjects, Christian Missions and Church Union."

**Rev. H. Symonds, D.D., Christ Church Cathedral, Montreal.**—"The writer has very clearly and succinctly set forth many valuable truths. I am in accord with all he says about Christian Unity."

**Rev. James Ross, D.D., London.**—"I have read with much interest the new edition of 'The Church of Christ,' by the Rev. T. A. Watson, B.D. The book discusses a number of living topics in a fresh, fair and forcible manner. It cannot fail, among other things, to promote a better understanding of the proposed Church Union, in which many are now deeply interested."
