MEDICIS (Catherine of) was very superstitious, and believed in astrology.

SYLLA, seeing a snake dash to the side of the altar where he offered a sacrifice, believed that it indicated the moment to take up arms. He flew to the combat and defeated the Samnites.

SCALIGER could not look at cresses a little fixedly without being seized with an involuntary shuddering.

SOCRATES found the presage of his death in a verse of Homer, upon which he had dreamed while sleeping. He sacrificed a rooster to Æsculapius, he who had published the unity of a God
