

# THE LAW OF BILLS of EXCHANGE

AND

## PROMISSORY NOTES.

Being an Annotation of "THE BILLS OF EXCHANGE ACT, 1890."

By EDWARD H. SMYTHE, LL.D.,

*One of Her Majesty's Counsel.*

This important book will be found by the legal profession, and by all persons interested in the recent important changes which have been made in the law respecting Bills of Exchange and Promissory Notes, to be a very valuable work. The aim of the author has been to make it thoroughly practical. It contains :

1. A short introduction, tracing the history of the Law Merchant, and the Law of Bills in Canada. 2. The full text of the Act (including the forms). 3. The difference between the Canadian Act and the English Act upon which it is based, carefully indicated. 4. The alterations in the law effected by the Act grouped or collected, and also pointed out as they respectively occur. 5. Concise annotations wherever necessary, designed chiefly to show the effect of the changes introduced by the Act, and to collate the different sections which explain and illustrate each other. 6. All the English decisions bearing on the English Act. 7. All the important Canadian decisions bearing upon points of law covered by the Canadian Act. 8. A complete set of forms in addition to those specified in the Act. 9. A carefully prepared Index.

In order to insure the utmost degree of typographical accuracy, the work has received every care and attention in its passage through the press.

It is printed in good type of large size, on English paper of the best quality, and is strongly and handsomely bound in three styles of binding. The prices are as follows: Cloth, \$3.25; Half Calf, \$4.00; Full Calf, \$5.00. There are about 250 pages in the volume.
