A Good Second- Hand Typewriter

Such as we sell from \$25. up to \$50. (according to style and model) will very often prove as satisfactory as a new machine costing nearly three times as much, for the simple reason that when we rebuild them they are made to do work equal to a new machine, all defective parts being replaced by brand new factory parts. They are also guaranteed for one year against defective workmanship and material. If you would like to hear more about them a post card will bring full particulars.
