ITALIAN QUEENS

I wish to announce to Canadian Bee-Keepers and friends that my Queen Rearing Business has developed into a specialty and I have devoted one yard of the finest Italian Colonies to the business of rearing and mating up queens.

I have in this yard over three hundred and fifty mating nuclei and twenty-five full colonies rearing and caring for queen cells, and in addition, a large number of pure bred Italian Colonies rearing drones.

I have now caught up on the early orders, and expect to ship queens out promptly, until the end of the season.

Nearly all of Canada's leading honey producers have my stock in their yard, and many letters from them attest their satisfaction with the queens.

My business has been built up by square dealing and honest goods.
